Tailgating Policies & Procedures

I. Overview

Tailgating has long been a tradition with Dudley Alumni Weekend. Nothing is better than gathering with other Panthers, fellow classmates, alumni, friends, or family during the Consolidated Reunion Alumni Weekend. **Groups and classes must be affiliated with DAA to participate in this Tailgating event.**

Tailgating is permitted on campus in the designated area. Please follow all guidelines related to food/grilling, clean-up and risk management policies. For the purpose of this policy, consumption of alcohol is not permitted and governed by procedures described in Section 5 of this policy.

II. Respectful Environment

Tailgating is a lively and family-friendly environment. While we want you to have an exciting experience, we ask that you be respectful of those surrounding you, being mindful of your choice of language and activity. **Groups or classes are personally responsible for making sure their guests act appropriately.** Individuals are expected to conduct themselves in a manner respectful of the nature and character of the Alumni Association. **Persons acting in a disruptive, disrespectful or disorderly manner may be asked to leave the premises or be subject to a citation.** Students may also be charged with a violation of the Code of Student Conduct. Please keep all music and audio at a volume level that is respectful of your tailgating neighbors. We want the tailgating experience to be enjoyed by all.

III. Tailgating Locations

The Dudley Alumni Association and Dudley High School invites and encourages our alumni to enjoy a great tailgate atmosphere each Alumni Weekend. Tailgating is permitted in designated spaces, which limit other spaces from being occupied by a vehicle. Tailgating in any traffic lanes or pedestrian pathways is not permitted.

All classes or organizations must complete a tailgate reservation form no later than 7 days prior to the event to secure a desired location in tailgate area. Groups of 25 persons or larger may reserve tailgate plots by contacting DAA in advance. Tents may also be leased per event by completing the Tailgate Reservation Form.

Opening/Closing: Tailgating areas will be open for individuals to enter the tailgate area at 9:00 a.m. on the day of the event. School restrooms will not be accessible until the event starts.

IV. General Guidelines that Apply to All Tailgating

A. Clean-Up: Please keep Dudley grounds beautiful by placing all trash and recycling in the proper bins located throughout the tailgate areas. All groups are responsible for making sure their assigned tailgating area is cleaned prior to departing. Tailgating spaces not completely cleaned prior to leaving could result in the group's loss of future tailgate privileges.

- All trash/recyclable items must be picked up and sorted into proper receptacles. This includes trash around your assigned area. Trash should be closed in bags or trash containers.
- All leftover food/beverages must be placed in proper containers and stored.
- All clean-up procedures must be completed before leaving.

B. Food/Grilling: Groups may bring their own tailgate items and food to their designated area. Grilling permitted, but all grills must be elevated. All fires must be contained within grills. Extinguish charcoal fires thoroughly with water before leaving them unattended. Please remove extinguished charcoal from campus for disposal. Do not dump charcoal on the ground or in dumpsters. Please be advised that grilling may be prohibited in a time of drought or extremely dry conditions. Should this be a consideration, proper announcements will be made on Alumni website during the week preceding the reunion date.

C. Risk Management: A Certificate of Liability Insurance for all events on school property is required by The Guilford County School (GCS). Dudley Alumni Association and its affiliates are covered under this insurance.

V. Alcohol Policies and Administrative Procedures - Guilford County Board of Education

It is the policy of the Guilford County Board of Education that a drug and alcohol free school environment shall be maintained. The Board prohibits the unlawful manufacture, sale, distribution, dispensing, possession or use of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcohol, or any other psychoactive or controlled substance or counterfeit substance as defined in Schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C.812) and further defined by regulation at 21 CFR 1308.11 through 1308.15, or by the General Statutes of the State of North Carolina. This policy shall govern each everyone while on any property owned by or under the control of the Board and, in addition, shall apply at any school-sponsored event or activity, regardless of whether held during normal school hours.

VI. Consumption and Preparation of Food

- No food may be sold without proper DAA permission.
- Propane and charcoal grills are the only permissible sources of heat for cooking. Burned coals and/or residue from cooking may not be permitted to make contact with the paved surface of the parking lot. Hot coals must be completely extinguished with water prior to leaving the tailgating site.
